

## KINTAIL WISH LIST 2014

The tradition of the Camp Kintail wish list is to dream and vision beyond what our current program and budget restrictions allow. Included on this list are many practical recycled items that everyone can donate, along with larger items that would require a special donation. Some of the larger items provide a great opportunity for your Church, Sunday School, Youth Group or Ladies Group to fundraise for a specific item. General cash donations are always welcome, and we can put the money to where we need it the most. A tax receipt is provided as Camp Kintail is a registered not-for-profit organization.
